

## GETTING TO EXHIBITION PARK IN CANBERRA

There are plenty of options for transport to the Summernats event.

**PRO TIP** it's heaps easier to catch one of the following transport options, rather than parking.

### PARK & RIDE

Skip the hassle of finding a parking spot by using Park and Ride facilities across Canberra to connect with a rapid bus or light rail service. Remember to check the timetable or journey planner to plan your trip back to your car, as some services may finish before the event concludes.

Now Even Easier! Tap it, scan it, done! Use your Mastercard or Visa — whether it's a physical card or the digital version on your phone or watch — and you're good to go.

### FARE FREE FRIDAYS

Take advantage of Fare free Fridays, simply tap on and off and no fare will be applied. Regular fares apply on other days.

### PLUG IN & PLAN — PUBLIC TRANSPORT

Don't stress, just press! The Transport Canberra Journey Planner's got your back.

Type in where you're at, where you wanna go, and bam — your ride's sorted. It's like having your own travel guru!

### TAXI & RIDE SHARE

Let someone else do the driving. Catch a taxi or a ride share and get dropped right by the action. We've even got a special taxi/ride share zone on Randwick Road, just a quick walk to Gate 2. Check the event map for the location and you're set!

### E-SCOOTERS

We know you all rate the scooters in Canberra! (We've seen the Tik Toks)

You can grab a Neuron scooter and ride it to outside of EPIC.

Scooter bays are a short stroll from the spectator gates

Download the Neuron app and follow the prompts, we highly suggest reviewing the no ride zones, you don't want to be caught out pushing the scooter.

### COMMUNITY

The Summernats is a guest of the Canberra community. Please avoid parking in suburban streets and be especially mindful of residents and businesses. Parking inspectors work across the Summernats event and will be issuing infringement notices.

**37****PARKING**

Only pre-paid parking is available at Summernats and if you haven't purchased, there are no other options on site Friday or Saturday. Extremely limited parking will be available on Thursday and Sunday only.

We can't say enough, the best and easiest way to get to Summernats is to park at one of our Park and Ride locations.

Parking at any of these three locations will give you free parking all day with easy access to the light rail which stops right out the front of the venue! Get the most out of your Summernats experience inside the gate and not driving around looking for somewhere to park.
